PROPOSAL SUBMITTAL VIA FEDEX OR SIMILAR SERVICE

Due to the outbreak of COVID-19, Glenn County offices are closed to the public. Proposals being delivered to 225 N. Tehama St., Willows, CA 95988 should be delivered at the back door of the building as the lobby is closed. Drivers should be instructed to knock on the back door and someone will answer and sign for the delivery if required. Most local drivers for the various delivery services are familiar with this procedure; however, we have been notified that a proposal package was returned because the driver saw the closed lobby and was unaware that deliveries were being accepted at the rear door. We have posted additional notices highlighting this requirement.
