GLENN COUNTY PUBLIC WORKS AGENCY COUNTY ROAD 306 FULL DEPTH RECYCLING – CEMENT PROJECT

Questions and requests received are in black, County response is in red.

1. The DBE forms state the DBE goal established is "0.00%". For clarification this contract does not include any SB, DVBE or DBE goal is that correct?

The proposed project is state funded through the STIP program. Therefore, a DBE goal is not required on this project. However, Glenn County always encourages the use of DBE consultants and subconsultants.
